

19th December 2017

DORIC BREEZE – SUBMITTED FONAR

The Charterers advised that they have checked with all other suppliers and unfortunately the same situation. Since the fog has stopped all vessel movements no one else can get to us until the fog clears.

The agents advised that until the channel opens we have to sit and wait.

Kindly note the agents details are as below:

Moran-Gulf Shipping Agencies

16651 Ronan Road
